I. THE BOARD OF TRUSTEES POLICY

The policies outlined in this document apply to the 2023 fiscal year. All prior approvals of fees, charges, and deposits are repealed effective July 1, 2022 except as to rights or obligations previously acquired or incurred there under.

The fees, charges, fines, penalties, refunds, and deposits are subject to change without notice.

Publication of fees, charges, refunds, and deposits in the University of Wyoming Fee Book is required prior to charging fees. Exceptions may be granted by the Vice President for Administration.

Authority

The Trustees of the University of Wyoming, a constitutional body, are responsible for the "management of the university" (Wyoming Constitution, Article 7, 17). The Trustees "possess all the powers necessary or convenient to accomplish the objects and perform the duties prescribed by law and shall have custody of the books, records, buildings and all other property of the university" (W.S. 21-17-203). The Trustees may "(e)xpense the income placed under their control from whatever source derived, and exercise all other functions properly belonging to such a board and necessary to the prosperity of the university and all its departments" (W.S. 21-17-204).

Section 2 of Chapter VIII (STUDENTS) of the Regulations of the Trustees stipulates that "All student fees, charges, refunds, and deposits shall be fixed by resolution of the Trustees and shall be published in the appropriate university publications."

Therefore, pursuant to constitutional and statutory provisions, the Trustees are responsible for the establishment of all fees, charges, and deposits assessed, and refunds afforded to individuals applying for admission to the university, enrolled students, university employees, and the general public. Such fees shall be reasonable and prudent for the adequate protection and control of university funds, equipment, facilities services and materials.

Financial Assistance

Financial assistance received by students through the Office of Scholarships & Financial Aid will be applied to assessed tuition and mandatory fees then to other university assessed fees and charges, prior to distribution to the student. If the student receives federal financial aid they may (in writing) limit the use of financial aid to only tuition payments, mandatory fees and university housing charges.

Failure to Pay Fees, Charges, Fines, Penalties

A student failing to pay fees, charges, fines, penalties, or deposits as prescribed by the Trustees of the University of Wyoming shall be denied registration at the university or copies of transcripts until such fees, charges, fines, penalties, or deposits are paid in full. A non-student failing to pay fees, charges, fines, penalties, or deposits as prescribed by the Trustees of the University of Wyoming shall be denied use of University facilities and services until such fees, charges, fines, penalties, or deposits are paid in full. Procedures for adjudication of disputes over payment of fees, charges, fines, penalties, or deposits shall be prescribed by the Vice President for Administration.

Interest rates for 1) loan funds established by the University of Wyoming; and 2) loan funds established by the State of Wyoming without statutory interest rates shall be established at six percent (6%) annual percentage rate with a two percent (2%) annual percentage rate penalty for loan default.

Loans from loan funds established by trust agreement, will or similar instrument with no stipulated interest rate shall not accrue interest, but will carry a Loan Advance fee of two percent (2%) of the loan amount.

Interest rates for the Medical School Student Loan Program and Family Practice Residency Loan Program shall be consistent with Trustee actions on student loan interest rates prescribed by the Trustees on July 9, 1985 and November 9, 1985.

The interest rate for the Medical Student Contract Support Program shall be consistent with the actions of the 1993 (52nd) General Session of the State of Wyoming Legislature (Wyoming Statute, Chapter 203).

The interest rate for the Superior Student in Education Loan Program shall be consistent with Trustee action on student loan interest rates (April 11, 1985) and established at six percent (6%) annual percentage rate with a two percent (2%) annual percentage rate penalty for loan default.

Fees, Charges, and Deposits, Student Media

The Trustees delegate the authority for the establishment of advertising, subscription and related rates or charges for student media, including the Branding Iron, Frontiers Magazine, and Owen Wister Review, to the Student Media Board. Rates or charges established by the Student Media Board shall be filed annually with the Office of the Vice President for Administration and published in the Fee Book.

Internal Fees, Charges, and Deposits

The Vice President for Administration, with approval by the Trustees, is authorized to establish fees, charges, or deposits for interdepartmental purposes. In no case shall the assessment of such fee, charge, or deposit exceed the direct cost plus reasonable administrative overhead.

Other Provisions

The purpose of this policy is to allow University departments to recover direct costs, and reasonable indirect costs, for use of University facilities, equipment, services or materials as set forth in the following paragraph.

The Trustees' authority to establish fees is delegated to the Vice President for Administration to set casual food service rates in the University food service operations, resale of items in the University Bookstore, various telecommunication rates, and other resale activities. Fees will not be authorized for items nor shall this provision be construed, in any way, to avoid the Trustees' authority to establish fees.

Employee Tuition and Fee Waiver

Full-time, benefitted employees may enroll for one course up to six (6) semester hours of University enrollment in college credit courses (including Distance courses) during each regular semester and summer semester with no cost for tuition and mandatory fees to the employee.

Federal Return of Funds Policy

A student who receives federal financial aid (other than Federal Work Study pay checks) and chooses to complete less than 60% of an academic term is considered not to have earned all the federal aid s/he has been awarded.

- If aid already disbursed is equal to earned aid, no further action is required.
- If aid already disbursed is less than earned aid, additional aid may be offered to the student after s/he withdraws.
- If aid already disbursed is greater than earned aid, UW and/or the student must return some federal funds.

To determine whether federal funds have been earned or must be returned, UW will follow this procedure:

Step 1: Determine the percentage of the term the student completed. This is calculated by dividing the number of calendar days (including weekends) in a term into the number of calendar days that the student was in attendance for that term.

Step 2: Apply the percentage of time attended to the total amount of federal aid the student was eligible to receive for the term. This is the student's "earned aid."

Step 3: Subtract the amount of earned aid from the amount of aid actually disbursed to the student. A positive remainder is the student's "unearned aid." A negative remainder is the student's "earned aid" that may still be offered to the student.

Step 4: Determine the amount of unearned aid that must be repaid by UW. Multiply the institutional charges by the percentage of unearned aid, and compare this figure to the total unearned aid. UW will repay the lesser amount.

Step 5: Determine the amount of unearned aid remaining that must be repaid by the student. Subtract the amount of unearned aid repaid by the institution from the total amount of unearned aid.

All unearned aid will be returned to the federal student loan lender or federal aid accounts in the following order:

- Unsubsidized Stafford Loan
- Subsidized Stafford Loan
- Federal PLUS (Parent) Loan
- Federal Pell Grant
- Federal SEOG Grant

Any amount owed by the student on a grant will be reduced by 50%.

The date of a student's withdrawal from UW will be the date of the student's notification to the **Dean of Students** of intent to withdraw. When a student fails to officially withdraw from UW, we will assume the withdrawal date to be the midpoint of the semester or the last date of documented academic activity.

UW will repay the lesser of (1) the total amount of unearned aid, or (2) an amount equal to the student's institutional charges multiplied by the percentage of unearned aid. "Institutional charges" is defined as charges for tuition and fees, plus room and board charges for students living in UW residence halls and apartments. It does not include such charges as bookstore charges, student medical insurance premiums, parking citations, or library fines.

The amount of unearned aid owed by the student on a loan may be repaid under the normal repayment terms of the loan. The amount of unearned aid owed by the student on a grant must be repaid immediately.

Any amount of earned aid not yet disbursed to the student will be offered to the student. Such offers will cover any undisbursed grants first, followed by undisbursed loans.

Examples of how we calculate the amount of unearned federal aid a student must return are available from a professional adviser in the **Office of Scholarships & Financial Aid**. A chart detailing the percentage of earned and unearned aid, by calendar day of the semester, is published in the on-line *Class Schedule* for each semester. In brief, to determine the percentage of earned federal aid, the calculation will use the total number of calendar days in the term divided by the total number of calendar days the student attended.

Interaction of Federal Return of Funds Policy and Institutional Refund Policy

When a student who receives federal financial aid withdraws from the university, s/he may owe a repayment of federal funds and/or be due a refund from UW or owe an additional amount to UW.

The Federal Return of Funds policy will be applied before any refund due under the UW policy is disbursed. For details on the application of these policies to a specific situation, please consult with the Office of Scholarships & Financial Aid, 174 Knight Hall phone (307) 766-2116.
