

# CONSTRUCTION

SPRING 2024

# WORKFORCE TRAINING

Training is for all career stages in the construction workforce

Modules must have 6 registrants for training to occur

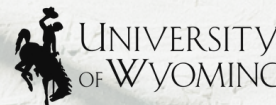

1 or 2 day training options available

Training is led by University of Wyoming instructors

College of Engineering and Physical Sciences  
Civil and Architectural Engineering  
and Construction Management

Casper

MAR, 28 2024 | 8am-5pm | Casper College

## CONSTRUCTION DOCUMENTS & CONTRACT ADMINISTRATION MODULE 1

This training module introduces participants to various contract documents, contracts, the roles & responsibilities of the parties involved, & their impact on the construction process.

MAR 29, 2024 | 8am-5pm Casper College

## CONSTRUCTION PLAN READING & ESTIMATING MODULE 2

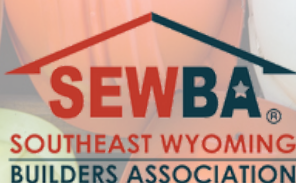

This training module introduces participants to basic construction plan reading skills, including floor plans, elevation plans, mechanical plans, electrical plans, structural plans, etc.

Training cost is \$1,500 per person per module (total cost is \$3,000 for modules 1 & 2). Payment is due prior to the start of training. Financial assistance may be available through the: [Wyoming Workforce Business Training Grant](#)

A Certificate of Completion is awarded after the successful completion of one training module. A Certificate of Accomplishment is awarded if modules 1 & 2 are successfully completed.
