

ARTICULATION AGREEMENT BETWEEN CASPER COLLEGE AND UNIVERSITY OF WYOMING

OVERVIEW:

This formal program articulation agreement is made and entered into by Casper College, hereinafter referred to as CC, and University of Wyoming, hereinafter referred to as UW. By this agreement CC and UW express a shared commitment to increasing opportunities for student access to and success in higher education.

PURPOSE:

This agreement provides students who have completed the **Associate of Business in Accounting** degree with articulated coursework the opportunity to complete a **Bachelor of Science in Accounting** degree at UW. Any CC student who has earned an Associate of Business in Accounting with coursework that adheres to the guidelines within this agreement is guaranteed that UW will accept designated major related credits and that all general education credits will apply to the Bachelor of Science degrees in a manner consistent with the treatment of native UW students and given junior status in the major.

CONDITIONS OF TRANSFER:

Section I: Admissions and Matriculation

CC students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as native UW School of Business students enrolled under a specific catalog.

Criteria for acceptance into UW School of Business will be consistent with the criteria outlined in the institutional articulation agreement between CC and UW.

CC, upon request of students, will provide verification of completed courses to UW through its Office of Registration and Records.

Transfer students from CC will have access to financial aid, scholarships, and student services on the same basis as native students.

UW will apply the same academic progress and graduation standards to CC transfer students as those applicable to native UW students.

Section II: Program Plan

While a course-by-course equivalence was used in the development of this plan, this agreement presumes that the general education core requirements at CC meet general education requirements at UW. Students falling under this program articulation agreement will be responsible for successfully completing the additional prescribed requirements.

Transfer Recommendations and Notes:

**Grade of C or above required for common body of knowledge and major specific core.

Students planning to sit for the CPA exam are encouraged to take MGT 4350-Commercial Law.

This program has been formulated to meet the requirements of AACSB International—the Association to Advance Collegiate Schools of Business, the University of Wyoming and the College of Business.

Minimum requirements include: Minimum of 42 semester hours of junior/senior-level courses. 30 of the 42 hours must be earned from UW. • 2.50 grade point average in all College of Business courses. • 2.50 grade point average in all institution (UW) courses. • 50% of the business credit hours must be from the University of Wyoming. • Grade of C or above required for University Studies Program: FY, C1, C2, and C3. • Grade of C or above required for common body of knowledge and major specific core courses. • A maximum of 6 hours each at the freshman/sophomore and junior/senior-level of military science may be applied to degrees in the College of Business. • Grade of C or above in MGT 4800 and a passing score on the ETS standardized test for COB majors.

TERMS OF AGREEMENT:

This agreement is made and entered into in the academic year 2015-2016 and remains in force unless a new articulation agreement is signed by all parties. The agreement is subject to annual review to ensure currency with the respective degree requirements, and may be amended at any time. Should either party desire to discontinue this agreement, advance notification of one year will be required.

SIGNATURES:

By the affixing of signatures of the academic officers of both institutions, Casper College and University of Wyoming hereby enter into this program articulation agreement leading from the Associate of Business in Accounting with articulated coursework to the Bachelor of Science in Accounting.
